

TECHPRO MOULDS

**Your Trusted Partner in
Pipe Fittings Mould
Manufacturing**

Company Profile

About Us

TECHPRO MOULDS is a leading mould manufacturer company with 30 years of industry expertise, delivering high-quality Moulds for Pipe Fitting Industries Since August 2025.

We are specialized in Product Design, Development & Manufacturing of all types of Pipe Fitting Injection Moulds in Agri, UPVC, CPVC, PPR, ABS, PP, HDPE, PE-X etc.

Also Develop Industrial, House- Hold Product Moulds.

Committed to cost- effective Moulds, timely delivery, and customized consultancy services for Pipe Fitting Manufacturing Industries

Our Founders

Mr. Manikandan Velan
Managing Director

30 Years of Experience in Mould
Manufacturing of Pipe fitting, Industrial/
House Hold Product Moulds.

Mr. Rajesh Nalawade
Managing Director

25 Years of Experience in Mould design &
development for Pipe fitting, Industrial/
House Hold Product Moulds.

Both are successfully led the Pipe fitting mould Project together for last 20 years.
Established TECHPRO MOULDS driving innovation in mould Design & Manufacturing
with a focus on quality, efficiency and customer satisfaction by delivering Quality moulds & timely delivery.
Company started on August 2025.

Our Core Values

Precision

Every dimension matters. We hold tolerances tightly because your parts depend on it. No shortcuts, no guesswork.

Reliability

We say what we'll do and we do what we say. On time, every time. That's the standard we set for ourselves.

Innovation

We keep pushing the boundaries of what's possible in mould design and manufacturing techniques.

Manufacturing Unit

Location: Vasai East

Area: 3500 sq. ft.

List of Machines:

1. CNC Milling - 1 no (STM - VL1200)
2. CNC Lathe - 1 no
3. Conventional Lathe - 1 no
4. Conventional Drilling Machine - 2 nos
5. Sparking Machine - 1 no
6. Crain - 5ton - 2 nos & 3Ton - 1 no
7. Mould Production setup for 8ton Capacity Moulds.
